## Cell Phone Disinfection Box

曹 / 晶嫫傲勿血嗷嗷' 勿' ， 一

The whole is not large, can be put in the backpack to take at will.

Because mobile phone wants to come into contact with all sorts of germs on the hand everyday, a lot of people neglected to undertake cleanness disinfection to mobile phone, although can wipe mobile phone with dishcloth, but the bacterium that hides in aperture deepness is not easy however clean, because this is not regular disinfect to mobile phone or very necessary

# Wide Uses

---
